

Common Core Overview – Math and Language Arts

(Elementary)

What: A series of area meetings will be held to provide updates and information regarding the GCPS implementation of the CCGPS aligned with our proposed AKS for SY2012-2013. The agenda for both math and language arts includes the following topics:

- Overview
- Available resources
- eClass and the Common Core
- Staff development plan for 2012-2013
- Assessment
- Question and Answer

When/Where: Math and Language Arts information will be presented jointly for each area's elementary schools in a single session, **4:00 pm – 6:00 pm**, on the following dates and at the following locations:

| | |
|-------------|--------------------------------------|
| February 21 | Area 1: Berkmar High School Theater |
| February 23 | Area 2: Duluth High School Theater |
| February 29 | Area 4: Grayson High School Theater |
| March 1 | Area 5: Lanier High School Theater |
| March 15 | Area 3: Parkview High School Theater |

Who: Space for these face-to-face meetings will be **limited to 20 participants (teachers and administrators, including your strongest numeracy and literacy leaders) from each elementary school** in each of the five areas.

Please note: These meetings will be recorded and provided as a resource for local schools.
